prioritising Jesus brings all other blessings in abundance. The gathering, which numbered over a thousand, was captivated by the message and experienced God's presence throughout the meeting.

RISE TO GREAT HEIGHTS

*My precious friend,
God wants you to rise to the heights of the land in triumph, as He promises in Isaiah 58:14. I believe this month will be a fulfillment of this promise, as found in Exodus 9:16, where the Lord says,
“But I have raised you up for this very purpose, that I might show you My power and that My name might be proclaimed in all the earth.”*

You are an integral part of God's plan, and your role is necessary for His power to be fully revealed. He has lifted you from wherever you are so that His power might be shown and His name proclaimed and glorified in all the earth through you. As God lifts you from the lowest levels to the highest, His power is revealed in your life and through your life to the world.

God can lift you from any tough situation

you are in today through His might, making you stand strong as an overcomer and glorify His name. So, do not be afraid. Just keep thanking the Lord, saying,

*“Thank You, Lord,
for raising me from
my position and
revealing Your
power through me.”*

Dr. Paul Dhinakaran - paul@jesuscalls.org

RISE FROM ASHES

Firstly, my friend, God wants to lift you up from your most difficult and hopeless situations (ashes). Psalm 113:7-8 says, ***“He raises the poor from the dust and lifts the needy from the ash heap; He seats them with princes, with the princes of His people.”***

Are you feeling like your life has been destroyed and reduced to ashes because of addictions, wrong choices, health issues, finances, or broken relationships? Do you feel like your dreams and aspirations have turned to dust due to constant failures? Do not worry because the Lord says that He will raise you from the ashes.

The Lord Jesus Himself went through death and was buried in the earth's dust. However, according to Romans 8:11, the Holy Spirit raised Him from the dust, from the mortal remains, and brought Him back to life. The same Holy Spirit is within you. He will lift you from the position you are in today.

1 Corinthians 6:14 states, ***“God raised Jesus from the dead, and He will raise you up also.”*** 2 Corinthians 4:14 further adds, ***“The Lord will raise you and present you along with Jesus to Himself.”*** Accordingly, you are going to experience the resurrection power of Jesus in your daily life.

In Proverbs 24:16, the Bible says, ***“Though the righteous fall seven times, they will rise again.”*** You may have fallen deeply, again and again, or you may be in the dust. But the Holy Spirit, who raised Jesus from the dust and made Him come alive, will also bring you to life by raising you up.

Surrender everything that brings death into your life, including sin. Surrender your addictions, weaknesses, and anger - whatever is taking you away from Jesus. Ask for His help, “Help me, Lord, raise me up.” Even if you are righteous, surrender your agony to Jesus and ask for His assistance.

The Holy Spirit, who has all the power to liberate you, will come upon you right now and

lift you up. I pray this blessing upon you in Jesus' name. Rise up from the dust, wherever you are, in the name of Jesus.

I would like to share a wonderful testimony from Mr. Deepak Messi of Amritsar:

Deepak tried desperately to get into a government job for 5 years, while many of his friends secured theirs. He did not, and this left him ashamed and robbed of self-confidence. Amid this agony, as his faith was tested, he sank into severe depression. Although he cleared the entrance exams for government positions, he failed the physical tests.

One day, while returning home through a hilly area, he was overwhelmed by despair and considered jumping off to end his life. But then, he heard the voice of Jesus-the resurrection voice that raises us up-telling him, “Don't commit suicide, my son. I have a wonderful plan for you.”

As he heard the resurrection voice of Jesus, a great peace came over him. He returned home and sent an email to me, to which I replied immediately, assuring him that I was praying for him and that he would experience great success.

With renewed hope, Deepak began taking competitive exams again. By the grace of God, he passed four exams and was offered four government jobs. He was filled with great joy. Today, Deepak works as a Revenue Officer in the Government of Punjab.

What a wonder! God made Deepak rise from the dust in triumph. He will do the same for you and glorify His name. Let not your heart be troubled.

RISE TO FULFILL GOD'S PURPOSE

Secondly, the Lord will raise you to fulfill His greater purpose for your life.

In Jeremiah 29:11, the Bible says, ***“For I know the plans I have for you,”*** declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” God has a purpose for you, and He will raise you up and position you according to that purpose.

YOU TO
SACRIFICE
THE
PLEASURES
AND SINS OF
THE WORLD
AND TO LIVE
A HOLY LIFE
SO THAT
THROUGH
YOU OTHERS
MAY FIND
FORGIVENESS

**What are the plans that
God has for you?**

RISE TO BE A PROPHET

God wants to raise you to be a prophet among the people. As a prophet of God, you will bear the testimony of Jesus, as stated in Revelation 19:10. According to Deuteronomy 18:18, God says, ***“I will raise up for them a prophet like you from among their fellow Israelites, and I will put My words in his mouth.”*** God desires to make you a prophet who brings forth His word to the people.

So, please be encouraged. Today, you may feel insignificant, but do not utter negative words that bring loss. Instead, thank God that He will fill you with His Holy Spirit and empower you to prophesy and speak His words (Acts 2:17). Young people, especially, will prophesy.

As you declare that you are a child of God, you will prophesy. Today, ask God for the blessing to raise you up as His prophet.

RISE TO BE A FAITHFUL PRIEST

God is calling you to rise as His faithful priest.

In 1 Samuel 2:35, the Lord says, ***“I will raise up for Myself a faithful priest, who will do according to what is in My heart and in My mind.”*** This is God’s mission for you.

As a priest, your role would be to offer sacrifices to the Lord and pray for the forgiveness of the people's sins. Jesus became the High Priest by sacrificing Himself for the forgiveness of our sins. Today, God wants to make you His priest.

He calls you to sacrifice the pleasures and sins of the world and to live a holy life so that, through you, others may find forgiveness of sins. Jesus says that those whose sins you forgive, He will also forgive. You will have such power and authority through the holiness and love of God in your heart. The Lord promises that when you are His faithful priest, He will surely build your house and establish a secure foundation for you.

RISE TO BE A SERVANT OF GOD

Be glad for the Lord is raising you up to become a true “servant of God.”

In Isaiah 49:6, God says, ***“You will be My servant, to be a light to the nations.”*** Those in darkness have seen a great light, as Jesus says in John 8:12, ***“I am the Light of the world. Whoever follows Me will never walk in darkness, but will have the light of life.”***

As you walk closely with the Lord and follow Him at each step of your life, you will begin to radiate the light of Jesus within you and guide those in darkness, despair, and destruction. The light of God will also shine through every aspect of your life, be it in your studies, your family life, or your finances. You will begin to express God's love to help others in darkness.

Dearly beloved, the light of Christ is ready to shine in your spirit today to lift you up and empower you to radiate His glory. For this purpose, the Lord fills you with His Holy Spirit. According to 2 Corinthians 3:18, through the Holy Spirit, we are transformed from glory to glory into the image of Jesus, who is the true Light of the world.

RISE TO BE A KING

The Lord has chosen you to be a leader, a king who walks in His authority to bring down His miracles to the people. In Jeremiah 30:9, the Bible says that God will raise up leaders for His people. Today, I pray that this grace will come upon you and make you a light in this world, leading many to the saving knowledge of Christ and performing miracles in His mighty name.

The Lord promises, "I will raise him up to be a king to make the people serve Me." Accordingly, God will elevate your spiritual status to that of a king, giving you the power to command miracles in the name of Jesus. When you pray and believe, whatever you ask for, the Lord will affirm, and miracles will happen. As Mark 11:24 says, **"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."**

In Mark 16:17-18, the Lord states, **"These signs will accompany those who believe: in My name, they will cast out demons; they will speak in new tongues; they will pick up serpents with their hands; and if they drink any deadly poison, it will not hurt them; they will lay their hands on the sick, and they will recover."** This is the kingly authority that we can experience in Christ Jesus. With this authority, you will cast out devils, speak prophetic words, and heal the sick in Jesus' name. The words you speak will come from the King of Kings, and you will deliver them with great authority given to you from above.

God is granting you this power, elevating you as a king to perform miracles in the name of Jesus. Ask the Lord to fill you with His Spirit, the Holy Spirit of Jesus, to fulfill this promise for you and your children.

RISE FROM YOUR SICKNESS

Our God is compassionate, and He wants to remove every infirmity from you and your household. Yes, He wants to raise you up from your sick bed. Romans 8:11 says that the same Spirit who raised Jesus from the dead will also raise you up. James 5:14-15 says, **"Is anyone**

among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord. And the prayer offered in faith will make the sick person well; the Lord will raise them up."

Today, I pray that you will be resurrected from your sickness. As God raises you up out of your sickbed, by the stripes of Jesus, you will be healed. So, rise up and be well in Jesus' mighty name.

Let me share a testimony from Sister Juanita and Brother Anam from Bokaro. In 2018, Mr. Anam began to lose weight abnormally, and his medical results were alarming. His white blood cell count had increased significantly, indicating blood cancer. The family was devastated and rushed to CMC for treatment. Chemotherapy was scheduled, but before they proceeded, they visited the Prayer Tower in Chennai on May 1st, 2018.

On that day, I was praying for people personally, and when they came to me, I prayed, "Lord, reverse the situation of blood cancer and heal him completely." After the prayer, they returned to the Jesus Calls Prayer Center at Bethesda, and during this journey, Mr. Anam, who had no prior relationship with Jesus, accepted the Lord as his Saviour and gave his heart to Him.

Ten days later, when they returned to CMC Vellore, they were preparing for chemotherapy. However, before the treatment began, another test was conducted, and to everyone's surprise, the white blood cell count was absolutely normal. The doctors cancelled the treatment and declared him healthy. Today, six years later, Mr. Anam remains completely healthy, with no trace of cancer. As a family, they now pray for others, and Jesus continues to heal through them.

The Lord will do the same for you. May God bless you with these blessings throughout the month, elevate you to great heights both spiritually and materially, and bring glory to His name.

Canada Prayer Tower

Praise the Lord! I am filled with immense joy as I share my testimony. Three years ago, during the COVID pandemic, I was diagnosed with breast cancer. I underwent surgery, chemotherapy, and radiation, which left me feeling weak and drained. Throughout this challenging period, the Jesus Calls prayer intercessors in Canada lifted me up in prayer, and by the grace of God, I survived. I am deeply grateful to the Lord Jesus for His mercy. Recently, during a routine examination in Aug 2024, I was advised to repeat a mammogram and ultrasound due to concerns

about some nodules detected in the images. I was anxious, so I reached out to the prayer intercessors once again. They assured me that everything would be alright and included me in their Friday fasting prayers. To my immense relief and joy, the authorities later confirmed that everything was fine. I was moved to tears and praised God for His continued blessings. I want to express my heartfelt gratitude to the prayer intercessors who consistently uphold Jesus Calls partners in their prayers. I pray that I may always support the Jesus Calls ministry and remain a part of this blessed community. Thank you.

SCAN ME

Dear friend,

**THIS MONTH'S PROMISE FROM GOD
COMES FROM JEREMIAH 32:39:**

**"I WILL GIVE THEM SINGLENESS OF
HEART AND ACTION, SO THAT THEY
WILL ALWAYS FEAR ME AND THAT ALL
WILL THEN GO WELL FOR THEM AND
FOR THEIR CHILDREN AFTER THEM."**

Raising A GODLY Family

As promised in this verse, the Lord will give us a clear and focused heart and purpose so that we will always respect Him, and things will go well for us and our children after us.

It is important to be united and transparent in our thoughts and actions, not just in our bond with God but also in our relationships with others, including marriage. Having this principle of unity and singleness of mind can make a big difference for couples trying to raise a godly family.

In marriage, being united is really important, like how God wants people to be close to each other. For example, Genesis 2:24 says that when a man and woman get married, they become ONE. This doesn't just mean physically, but also emotionally, spiritually, and intellectually. When a husband and wife work together on their goals, values, and behaviour, they create a strong foundation for bringing up children in a way that honours God.

In Ephesians 4:2-3, it talks about being humble, gentle, patient, and loving with each other to maintain the unity of the Spirit through the bond of peace. In other words, it is saying that these qualities help us to keep a good and healthy connection, which is really important for having a family that follows God's ways.

When both parents share a single vision for their family, it impacts their parenting approach, decision-making, and overall

UNITY AND SINGLENESS OF MIND ARE CRUCIAL QUALITIES NEEDED FOR A COUPLE TO RAISE A GODLY FAMILY

family life. In the Bible, Proverbs 16:3 says that if you trust in God, He will help you succeed by establishing your plans. So, when a couple's plans are in line with what God wants, it helps them raise their children with good Christian values.

For instance, if both parents want their children to love the Bible, they will work together to include in their daily routine things like reading the Bible together, talking about faith, and being active in church. Doing these things regularly helps the children learn these values and creates a solid spiritual environment for them.

I want to share an inspiring example of a family that successfully raised a strong and loving family by staying united and having a single purpose. John and Lisa Johnson, who have been married for 20 years, faced numerous challenges while raising their children. They both had demanding careers and different opinions on parenting styles, which sometimes caused conflict and confusion for their children.

Realising the need to work together, John and Lisa decided to align their parenting goals and practices. They started by talking openly about their values, what they wanted for their children, and how they could support each other. They both wanted to raise their children with a strong foundation in the Christian faith, so they committed to going to church regularly, praying together, and teaching their children about their beliefs based on the Scriptures.

One important change they made was to establish a family devotion time each evening. This practice became a cornerstone of their family life, providing an opportunity for teaching, discussion, and bonding. They also made a conscious effort to present a united front when it came to disciplining their children, making sure they were consistent and based on their shared values.

John's and Lisa's efforts towards maintaining unity and singlemindedness in the family paid off, and their children grew up with a clear under-

ing of their faith and the importance of living by God's principles. Their commitment to a single-minded approach in their marriage and

parenting provided a strong spiritual foundation for their family.

Dearly beloved, it is not always easy to have a strong and unified marriage. Sometimes, our differences can cause conflict. But it's important to keep working at it. Romans 15:5 encourages us to seek God's help in staying united, just like Christ Jesus did. Communication, mutual respect, and a willingness to compromise are crucial for maintaining healthy relationships and unity in families. And don't forget to prioritise your relationship with God, as a strong spiritual connection can help strengthen your relationship with each other.

In Jeremiah 32:39, it talks about how important it is for families to be united and have the same goals and values. For couples with children, this means working together to create a supportive environment for their children. When couples share the same vision and support each other in raising their children, they can give their children a strong foundation in faith and character.

John and Lisa's family is a great example of how unity and single mindedness can make a difference. They focused on aligning their parenting with their shared values and faith, which not only made their marriage stronger but also helped their children grow spiritually strong. When couples work together in their marriage, they can trust that God will guide and bless their efforts, leading to a family that lives in a way that honours Him. **May God grant you and your spouse the grace to raise a family that honours Him.**

JOIN THE *Family Blessing Plan*

"MAY THE LORD
CAUSE YOU TO
FLOURISH, BOTH YOU
AND YOUR
CHILDREN."
(PSALM 115:14)

In the family, God's plan for creation finds its fullest expression—a microcosm of His divine love and unity. As we reflect on God's first plan in creation, we recognise the family as a sacred gift, designed to reflect His glory and bring forth His kingdom on earth. Therefore, it is important to cherish and uphold the divine institution of family, for in its midst, God's love abounds, and His purposes are fulfilled.

However, in today's world, the enemy's foremost scheme is to destroy family bonds. To overcome these challenges, the Jesus Calls Family Blessing Plan has been established to offer continuous prayers by the Dhinakarans and dedicated prayer intercessors for the partners' families every day. As a result, we have been receiving several testimonies of families that have been reunited or experienced supernatural protection or blessings from the Lord.

Here is one such testimony of a family that was rebuilt through the power of prayer:

FROM STRUGGLE TO BLESSING

In the year 2009, Pakyalakshmi married Bavendan with high hopes for their future together. Initially, joy filled her days, especially as she discovered she was pregnant shortly after their marriage. However, as time passed, discord crept into their lives due to familial expectations and issues like dowry, causing

frequent conflicts between Pakyalakshmi and Bavendan.

Pakyalakshmi, though known for her accommodating nature, faced harsh treatment in her husband's home. There were constant fights. Her mother, who had raised her as a single parent and had spent a lot of money to ensure her marriage was joyful, felt very sad seeing her situation.

The situation escalated to the point where

divorce seemed inevitable, leaving Pakyalakshmi deeply troubled and unsure of her next steps. It was during this tumultuous period that she learned about the Jesus Calls Prayer Tower in Trichy from a fellow believer.

Seeking solace and guidance, Pakyalakshmi visited the Prayer Tower, where she discovered the Family Blessing Plan. Desperate for reconciliation, she submitted a photo of her husband and child, participating in faith in the Plan. Miraculously, as they engaged in prayer and attended the prayer sessions, peace began to settle over their turbulent lives. The anticipated court battle never materialised, as divine intervention from the Lord brought reconciliation between Pakyalakshmi and Bavendan.

Encouraged by these early signs of grace, Pakyalakshmi continued to frequent the Jesus

Calls Prayer Tower, finding comfort and strength in her faith in Jesus. Her prayers were answered when she gave birth to her son in November 2016, a testament to the blessings that God had bestowed upon their family through the Family Blessing Plan.

Further challenges awaited, as Bavendan struggled with unstable employment. Together, they sought guidance and support at the Jesus Calls Prayer Tower, where fervent prayers for his employment bore fruit. By the grace of God, Bavendan secured a stable job at a government polytechnic college, alleviating financial pressures and fostering stability in their household.

Their journey of faith culminated in unexpected blessings, including the opportunity to build their own home in 2023, a testament to the transformative power of prayer. Today, Pakyalakshmi and Bavendan look back with gratitude on their trials and triumphs, attributing their transformed lives to the steadfast support and prayers of the Jesus Calls ministry and the dedicated prayer intercessors.

Just as Pakyalakshmi's family has experienced, your family can also encounter God's abundance and restoration through the power of prayer. Join the Family Blessing Plan today to cover your family in prayers and blessings!

For your gift of US\$31 or more every month you could enroll your family as part of the Family Blessing Plan and be a blessing to millions through this mission.

YOU MY POWER AND THAT MY
NAME MIGHT BE PROCLAIMED
IN ALL THE EARTH."**

From **THE DEPTHS OF** *My heart* **I SPEAK...**

It is with this purpose in mind that I write to you, acknowledging the vital role you play in this ministry. Your dedication and support are integral to our mission. Together, we are part of God's greater plan to proclaim His name to every corner of the earth, fulfilling the mission He has entrusted to us.

In this month, I am filled with anticipation for the ways the Lord will fulfill His purpose through you in a greater measure and reveal His glory to draw many to Christ. We cherish your partnership with us, and I am confident in the Lord that you will continue to be a beacon of blessing to us in the ministry and to millions through your prayers and support.

I would like to share with you some of the great things the Lord has been doing in the ministry:

PRAISE REPORT

- i) The **Puducherry Blessing Meeting** that took place on August 25, 2024 in which my son, Samuel Dhinakaran, delivered God's message and prayed fervently for all who had come. The Lord moved powerfully among the people, and many experienced the supernatural touch of God.
- ii) I ministered God's word in the **Sunday Blessing Meeting** at JC House and shared about how God will go before us and

through His presence lift us up in life. The service led many to put their trust on the Lord's presence and they left the venue carrying the presence of the Lord in their hearts.

- iii) The monthly **Miracle Fasting Prayer in Vanagaram** that took place on the 14th of September was a huge success, with several people coming with high expectations from God, seeking the Lord through fasting. The prophetic message that my wife Evangeline Paul Dhinakaran shared had a powerful impact, and resulted in God ministering to the people and performing miracles in their lives. Sis. Shenbagam from Chennai had been suffering with excruciating stomach pain and had gone through numerous scans and treatments. But everything was in vain. Finally, she attended the Jesus Calls Miracle Fasting Prayer and during the prayer God healed her completely.
- iv) The next batch of the six-month certificate course, "**Prayer and Prophetic Empowerment**" began on August 28th at JC House and is currently ongoing. 97 people have enrolled and are being trained toward the great cause of ministering for the Lord. It has been a privilege for our family to train our precious partners, pray for spiritual gifts

to manifest in their lives, and encourage them that God will use them powerfully in the coming days. If you are interested in serving the Lord through the Jesus Calls Ministry, please consider participating in this training. BETHESDA PRAYER CENTRE

**WHERE PRAYERS
MAKE THE IMPOSSIBLE**

Possible

“Now My eyes will be open and My ears attentive to the prayers offered in this place.”

(2 Chronicles 7:15)

Pastor Aman Verma, is the Senior Pastor of Karuna Prayer Tower in Pune. He shares with us his testimony about how his visit to the Bethesda Prayer Centre has impacted his ministry.

Dear Pastor, could you share a bit about your ministerial journey and the vision you've been fulfilling since 2013?

Pastor Aman Verma: Sure. I've been serving the Lord as the Senior Pastor of Karuna Prayer Tower in Pune since 2013. The vision given to me by the Lord is to save souls and strengthen the Church. It's been a blessing to see how the Lord has been working through our ministry over the years.

That's truly inspiring. I understand that something remarkable happened during your visit to Bethesda Prayer Centre in June 2024. Can you tell us about that experience?

Pastor Aman Verma: Yes, it was indeed

a significant moment for me. In June 2024, I, along with all our Prayer intercessors, visited

Bethesda Prayer Centre. Our purpose was to pray at the Bethesda Prayer Center and seek the Lord's mercy to enable us to build a Prayer Tower on our own land. After our return to Pune, the Lord blessed us with a miracle beyond our expectations. Within a month, in July 2024, we were able to acquire our own land of 2250 square feet.

That's incredible! How did your congregation respond to this blessing?

Pastor Aman Verma: The response was overwhelming. As led by the Lord, we announced in our Church that anyone willing to contribute to the work of the Lord could do so. To our amazement, within just 13 days, the Lord provided the necessary funds-15 lakhs-through His people. What touched me the most was that 100% of the congregation came together to sow for the work of the Lord.

Lord
**BLESSED US
WITH A
MIRACLE
BEYOND OUR
EXPECTATIONS**

That's quite a testimony! Considering that many in your congregation come

from humble financial backgrounds, how did they manage to raise such a significant amount?

Pastor Aman Verma: It's truly a testimony to their love for Jesus and their dedication to His kingdom. Many in the congregation gave sacrificially. Some gave away their marriage gold, and others surrendered their insurance policies and sold mutual funds or even shares. Some gave the savings they had planned to start their own businesses, and others offered their pension savings. It was an extraordinary display of faith and generosity, something that could only happen through the Lord's grace.

It's evident that the Lord's hand was at work. How do you feel looking back at all

these blessings after your visit to Bethesda?

Pastor Aman Verma: I am filled with gratitude and awe at how the Lord has worked in our lives and ministry. I praise God for all His wonderful blessings. I am also deeply thankful to Dr. Paul Dhinakaran for his wonderful ministry, which has been such an inspiration to us.

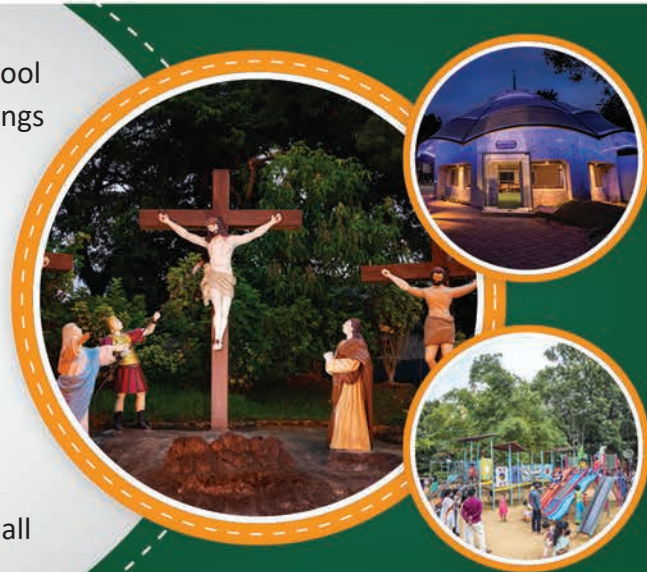

Thank you, Pastor Aman, for sharing this powerful testimony with us. It's truly encouraging to hear how the Lord continues to work through your ministry.

Pastor Aman Verma: Thank you for giving me an opportunity to declare God's praises. All glory be to God.

Just like Pastor Aman Verma, you too can witness the impossible and be relieved from all your troubles by visiting the Bethesda Prayer Centre and receiving prayers for your needs.

SCAN ME

A silhouette of a person standing in water with arms raised, splashing water. The word 'BAPTISM' is written in large, semi-transparent blue letters across the water.

BAPTISM

Mr. Matthew Kuiran asks...

What does the Bible say about baptism, and why is it so important in the Christian faith?

In Acts 2:38-39, the Apostle Peter declares, ***"Repent and let each one of you be baptized in the name of Jesus Christ for the forgiveness of your sins."*** Baptism, therefore, is not just a ritual; it's a public proclamation of a person's decision to turn away from sin and dedicate their life to Christ.

When someone repents of their sins, baptism serves as a visible confirmation of that inner transformation. It is a public declaration that they are renouncing their former way of life and committing to live in righteousness.

Romans 6:2-3 and Colossians 2:11-12 illustrate this by comparing baptism to being buried with Christ in death and rising to a new life in righteousness. As a person is immersed in water and then raised up, they symbolically declare, ***"I am renouncing sin and rising to live a life of righteousness."***

Even Jesus Himself was baptized at the age of 30, as recorded in Mark 1:9. Through His baptism, Jesus publicly declared His commitment to live for God, turning away from the ways of the world. Similarly, in the account

of the Ethiopian eunuch in Acts 8:36-38, after hearing Philip speak about Jesus being the sacrificial Lamb, the eunuch desired to be baptized as an outward sign of his repentance and decision to follow Christ.

Baptism, therefore, is a powerful act of public confession. It gives believers the strength to live as children of God, bearing witness to their faith before others.

However, some Christians practice infant baptism. They reference John 3:5, where Jesus says, **"No one can enter the Kingdom of Heaven unless they are born of water and the Spirit,"** and Matthew 18:3, where Jesus emphasizes the importance of becoming like little children to enter the Kingdom of Heaven. Some argue that delaying baptism until a child is old enough to renounce sin and make a personal confession of faith could risk their salvation if they were to die young.

Therefore, they believe in baptizing infants based on the faith of the parents, with the expectation that the child will later confirm their commitment to follow Jesus and participate fully in the life of the Church.

Nevertheless, the Bible highlights that baptism is most meaningful when it follows a conscious decision to accept Jesus Christ as Lord and Saviour. Acts 2:41 states, **"Those who accepted his message were baptized."** This underscores the key aspect of baptism: it is an outward sign of an inward faith, a deliberate choice to renounce sin and follow Christ.

Therefore, baptism is a vital aspect of the Christian journey. Whether one is baptized as an adult or as an infant, the act is rooted in a commitment to live a life that reflects the love and teachings of Jesus Christ. It is both a personal and public declaration of faith, a sacred moment that signifies the beginning of a new life in Christ.

A SINCERE Heart

- SAMUEL
DHINAKARAN

Youth
SECTION

My friend, sincerity of heart is something we must hold in high regard, and the Lord will help you cultivate a sincere heart as he helped Apostle Paul. In 2 Corinthians 1:12, Paul affirms, ***“We can say with confidence and a clear conscience that we have lived with a God-given holiness and sincerity in all our dealings. We have depended on God’s grace, not on our own human wisdom.”*** This assures us that with the help of God’s grace, we can also act with complete sincerity in all our dealings.

The pursuit of sincerity can be challenging. Often, people may mock our efforts to live sincerely, labeling us as overly righteous or naive. Such reactions arise because the world often struggles to accept what it

lacks. Yet, this should not deter us. We must remain steadfast, knowing that sincerity brings us closer to God and honours His name.

What duties are we expected to be sincere in, especially at a young age? We are expected to study well, excel in competitions, and use our talents to the fullest. We are to show great love to our families, bring joy to our parents, and be good sons and daughters of God by following Jesus’ teachings. These are our duties, and God expects us to be sincere in all of them.

When we commit to this, it will surely bring success and blessings into our lives. The Lord will be pleased with us and say, ***“Well done, my good and faithful child. You have been faithful and sincere in your responsibilities. I love you for it”*** (Matthew 25:21).

Email:
samuel@jesuscalls.org

 
[samueldhinakaranofficial](https://www.youtube.com/samueldhinakaran)

However, being sincere in this world can be quite challenging because the devil will be trying his best to deviate us from practicing sincerity by putting barriers in our way and distracting us from what we are supposed to do. The enemy also tries to instill lethargy and procrastination in us, which is why we need God's strength to resist.

I know a friend who used to study exceptionally well, always scoring top marks and competing for the first rank. However, in 11th grade, his friends gave him a cell phone so they could stay in touch and talk to him all the time. The phone was banned in his house, but he secretly accepted it from his friends. They constantly exchanged messages and forwarded jokes and riddles to each other, even during exam time. He became addicted to texting, always talking to someone or the other, and eventually lost all his focus. As a result, his grades plummeted, and he was no longer in the running for top ranks. The passion he once had for studying well was gone. No matter how hard he tried, he could never focus again.

This is how the devil distracts us, especially those who are children of God. He plants something in our minds that pulls us away from our duties, particularly affecting the children of God. Others might manage to scrape by with decent marks and move on, but we, as believers, cannot operate in both the world and with God. When we submit to worldly distractions, we lose God's grace, our sincere hearts, and our spirit of dedication. Our focus and passion drift away, and it becomes incredibly difficult to regain them. This is exactly what the devil tries to steal from us: our sincere hearts before Jesus, the very thing that earns us a good name.

You might feel today that the world puts so much pressure on you. Everyone's eyes may

be on you, watching how you behave in class, how you interact socially, how you perform at church, and what grades you achieve. The world is closely watching us because we are not just carrying our own names—we are carrying the name of Jesus. This brings extra pressure because we represent Him in everything we do.

So, how do we deal with this? Take Daniel, for example. The people around him put immense pressure on him. He had to be extraordinary, standing out above everyone else, just to survive. He had to be the best because he followed God, unlike others. They were waiting for him to slip up, to see him fail in his wisdom and his responses. Daniel always had to perform well, and he managed to do so by praying - morning, afternoon, and night.

He kept in touch with God, constantly asking for help in all his duties. He felt alone, with everyone staring and judging him, but he relied on God for strength. And God gave Daniel a zealous heart and great wisdom, making him successful in all that he did. As the Bible says, He had an "excellent spirit" from God.

Today, you can receive the same sincere spirit to do well before the Lord and before everyone around you. You will bring honour to His name, and in turn, God will also honour your name. So today, ask God for a sincere heart and for His constant presence to be with you.

JESUS CALLS PRAYER FESTIVALS *coming in* CHATTISGARH & JHARKHAND

"And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." (Matthew 24:14)

The Prayer Festival Blessing Project aims to reach those who have never tasted the love of God and bring His joy into their lives. God is using the Prayer Festivals as a platform to display His glory, through which drinking husbands are transformed, children are filled with His Holy Spirit, debts are miraculously met, sicknesses disappear, and new life comes into families and individuals.

We are grateful for the partners who have been faithfully supporting this mission with their offerings and prayers every time the Dhinakarans brought God's word to the people in different cities. It is remarkable to note that **110 million people** have personally attended the grounds where the gospel was preached, and millions more have watched the event live through television or social media. God has been using the Dhinakarans mightily during each campaign, and they have brought His miracles and blessings to nearly four times this number of people, indicating their greater responsibility in the future.

Therefore, we ask for your continued

prayers for the Dhinakarans so that God will open doors for the Gospel to reach a greater number of people. We strongly believe that the Prayer Festival ministry will reach out to many more places, including the unreached, with the vision that **"not one soul should be lost."**

On this note, we are extremely thrilled to announce that there are two major Prayer Festivals organised this year. We are going to **Jagdalpur, Chhattisgarh, on the 8th-10th of November to host the Bless Bastar Prayer Festival.** People there are suffering due to unemployment, poverty, societal problems such as low literacy rate etc. We will be praying for the state as well as for the people to be blessed in their lives. We are also going to host the **UTurn National Youth Festival in Jamshedpur, Jharkhand, on December 6th and 7th this year.** We are going to pray for the youth

to be released of their bondages and addictions and come out empowered by the Holy Spirit to shine in their lives. Please plan to come and attend these meetings in person as God has destined to do something great there. Be a part of it.

We are excited to reach lakhs of people at one stretch with you dear partners. So kindly do spend some time each day in prayer for the success of these meetings even as a family, as a group and as a church. Let us do this together. ***As we serve lakhs of people in a day in each of these meetings, the expenses are going to be in millions, and the needs are***

great before us. These include ground preparations, publicity, promotions, stage erection, pandals or tents, sound and lighting system, transportation for the ministry crew, and food and accommodation for the entire team, including volunteers and staff, for all the days of their stay. Additionally, costs are incurred for live broadcasting and webcasting, computers, internet access, and other technology-related costs and media. We request you to partner with us, sow in God's blessings in peoples' lives and sponsor these events. May the Lord, who sees your generous heart, openly bless and reward you.

Here's how a dear sister has been blessed through one of our Prayer Festivals:

I was born into a family that had no knowledge of the Lord Jesus. When I was four years old, I suffered from bone tuberculosis in my right leg. My parents took me to many doctors, and they suggested amputation. During this difficult time, my father heard the gospel and gave his heart to the Lord. Though heartbroken, he did not agree to the amputation, believing that Lord Jesus would heal me. I continued taking medicine for relief, but two years passed without healing. I went to school with the support of crutches, enduring the pain of being made fun of by others. Dr. Paul Dhinakaran came to our city for a Prayer Festival, and our pastor insisted we attend the meeting. My father took me there, and I entered the venue with my crutches. During the prayer, Dr. Paul Dhinakaran prayed, "Those who cannot walk, walk in Jesus' name." Suddenly, the power of Lord Jesus touched me, and I threw away the crutches and started walking normally. Seeing me walk, my father shed tears of joy. I returned to school without my crutches, and everyone was amazed by the miracle. I studied up to the 10th standard and now work in a hospital. It has been twenty-two years since then, and the problem never returned. I am fully healthy. All praise to the Lord Jesus Christ.

- ***Rabina***, Sikkim

MAY THE LORD BLESS YOU FOR SACRIFICIALLY DEVOTING YOURSELF TO SUPPORTING THE PRAYER FESTIVAL MINISTRY AND BLESSING MILLIONS.

Glory of Christ's Divine Love

- Sister Stella Dhinakaran

The most excellent and glorious love among all sorts of love is the 'divine love' that proceeds from the God of gods. The Bible says that *'God is love'* (1 John 4:8). At the same time, any man, who does not have love in him, could be said to be ignorant of God. In the days when the Lord Jesus was living in human form in this world, He said to the people, who detested His works and who were inimical to Him, *"But I know you, that you do not have the love of God in you"* (John 5:42).

Yes, in those days, there were some loveless people, who did not like Jesus even after witnessing His 'divine good works' and who always found fault with Him. Even today, there are such people, who are ignorant of His divine nature and glory. On the other hand, those who understand His love and are blessed through that are privileged people. I take pride in saying I am also one of these entitled people. Today, we shall see how beautifully the Lord changes the lives of those who have received the knowledge of knowing Him.

DIVINE LOVE THAT DRAWS MAN

The Lord says *"I drew them with gentle cords with bands of love..."* (Hosea 11:4). In the Bible, we clearly read that *"it is not*

the will of the Father that one of these little ones should perish" (Matthew 18:14) and He desires all men to be saved and to come to the knowledge of the truth (1 Timothy 2:4).

However, hardening his heart, man does not want to live as a slave to His love but is enslaved by satan, the enemy and thus spoils his life by indulging in the lusts of the world and becoming the son/daughter of perdition. The Bible tells us of the life of Adam and Eve who were first created by God and who were living a blessed life in the Garden of Eden. Despite having a glorious life that was surrounded by the love of God who walked in the cool of the day, they lusted after a mere 'fruit' and obeyed the words of the devil. How pathetic was their end, as they rejected God's love! They lost all the blessings of the divine plans of God, made for them with love, and were forced to live a terrible and agonising life (Genesis 3:23).

Dear ones, God has lovingly prepared an incomparable blessing called 'Salvation' for

your life as well. Salvation is being redeemed by God from all shortcomings such as sins, curses, unrighteousness, etc., and being filled with divine blessings such as peace and joy which the world cannot give. It is the will of God to grant us this glorious life, by His divine love. Several examples from the Bible could be cited for this. In John, 4th chapter, we read how the life of a woman, who was living a terrible and worldly life, was changed into a holy and divine one. The Lord Jesus changed the dark life of that Samaritan woman, who was steeped in 'the lust of the flesh' with His divine and loving words and transformed her into an Evangelist, who led many to Him, by sharing about Him with them. How great and glorious is His divine love!

In the same way, when Saul, who hated the loving Lord and was living in darkness as the 'son of perdition' was touched by His love, His life of darkness changed upside down into a life of divine light. Let us analyse his words,

"I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself for me." (Galatians 2:20)

Yes, it is the divine will of God that through Christ and His sacrifice, the love of God should bring great transformation in the life of every man; and that he should be blessed to inherit the Kingdom of God, being filled with His love and exhibit this love to others who do not know of its glory (Ephesians 5:2; Hebrews 9:14).

Let me explain how this divine love worked in my own life:

Though I was born and brought up in a Christian family, I never knew the glory of this love and was living an empty and dry life in my younger days. However, in due time and in His great mercy, the Lord Jesus gave me the privilege of realising the glory of His love on the cross and made His love flood into me; till today, He has given me a blessed life of arising and shining for Him!

Dear beloved, have you, come to know of the excellence of this love of salvation and received the new life of being filled with the love of Christ? Examine yourself! Not realising the glory of this love, Judas, one of the disciples of the Lord Jesus, who lived close with Him, lusted after money and lost this blessed, divine life. Today he is in agony in hell.

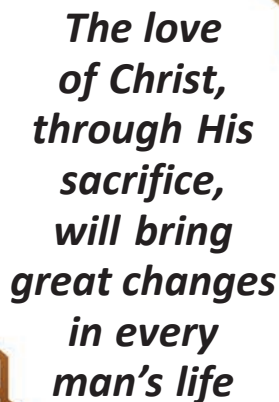

Hell? Or Life? What is your choice? Commit yourself at the feet of the Lord in reverence and taste the love of Christ and enjoy His blessings.

THE EDIFYING LOVE OF CHRIST (I Corinthians 8:1)

As we read in Colossians 3:14, the love of Christ leads us every day to enjoy a life of 'putting on love which is the bond of perfection' and getting edified. We read in I Thessalonians 4:9, *'...for you yourselves are taught by God to love one another.'*

"Flee also youthful lusts; but pursue righteousness, faith, love, peace, with those who call on the Lord out of a pure heart." (II Timothy 2:22)

Yes, the Lord gives us this righteous life, filled with faith, love and peace. When our

lives are filled with the Lord's love, He Himself grants us this love as seen in Hebrews 12:14, "*Pursue peace with all people*" and makes our lives godly. As the Bible says in II Thessalonians 3:5, "*the Lord will direct our hearts into the love of God and into the patience of Christ.*"

Today, we see hatred, bitterness and rifts among the members of families, resulting in pain, sorrows and tears, with no room for love. Parents sacrifice a lot to bring up the children; but, not tasting the love of Christ, the children, totally ignore the parents' love and cause them pain. These days, such things are seen quite commonly in families.

Let us reverentially seek the Lord for such things to change and for the hearts of the people and families to be filled with edification and love for one another. The basis for this is Bible reading, and prayer. Our Lord Jesus is a fine example of this.

Don't we read in the Bible that when He was tempted by the devil, he overcame him with the Scriptures and that is how the devil left Him? (Matthew 4:10,11). Likewise, not wasting His time in early mornings, evenings and all nights, He sought the Father through prayer and thus has lived as an example for us. Don't we see this in the Bible? (Matthew 14:23; Mark 1:35; Luke 6:12).

Accordingly, you should seek the Lord like David, personally and as a family, early in the morning (Psalm 63:1) and in reverence. If we are diligent in seeking the Lord reverentially early in the morning as a family in order that His love should be

manifested in our family life, it will enable our family to be united in Him. Also, if we seek Him reverentially through our prayer life – fasting prayer, thanksgiving prayer etc., the Lord would command divine unity, oneness of mind and harmony in our hearts and in our families and grant us a divine life devoid of demonic qualities such as hatred, rifts etc.,

In my life, when I was living a godly life for Him, after tasting His love, I was shunned by my own family for no reason at all and was living a lonely life. However, the Lord made His love flow from me

towards each one of them. As a result, His divine love in me was manifested to them, who hated me. Do you know what happened in the end? The Lord changed the heart of every one of them upside down. God's peace reigned over our families. All of them received the divine life of tasting His love. My life, which was insignificant before them, changed into an honourable one, because of

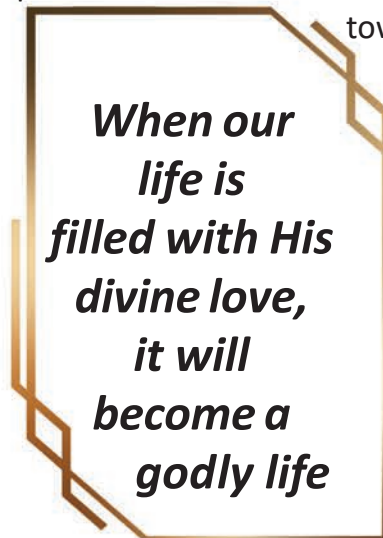

Him. Yes, the Lord lifted me up before everyone, who was bitter towards me and changed me into a vessel of honour.

Dear ones, you should also get filled with the love of God so that it would lead you and that you would be edified to receive a blessed and glorious life in this world itself.

"We Conquer through Him, who Loved us." (Romans 8:37)

The Bible says,

"But thanks be to God, who gives us the victory through our Lord Jesus Christ." (I Corinthians 15:57)

**When our
life is
filled with His
divine love,
it will
become a
godly life**

“This is the victory that has overcome the world – our faith.” (1 John 5:4)

“But you, beloved, building yourselves up on your most holy faith, praying in the Holy Spirit.” (Jude 20)

Accordingly, we should “build ourselves up on our most holy faith” since, *“without faith it is impossible to please God”* (Hebrews 11:6). What are the things to be done to receive a life built up in faith?

If we carefully read Colossians 2:6,7 and are diligent in following it, we will surely receive this blessing. First of all, by His grace, He will certainly give us a profound Christian life ‘rooted and built up in Him’. Then He would lead us in divine ways that are ‘immoveable in Christ and established in faith.’

“I will instruct you and teach you in the way you should go; I will guide you with My eye.” (Psalm 32:8)

The Lord will fill us with His Spirit for us to receive this holy life of divine love.

Dearly beloved, we read in Acts 10:38, that our Lord had this blessing. Similarly, in Acts 2nd chapter, we read that His disciples too waited in His presence with oneness of mind, were filled with the anointing and shone as good witnesses for Him.

By the grace of God, the Lord has given this glorious life for our family and through His love has granted us a victorious Christian life. May God take hold of your hand and guide you to fill you with the ‘love of Christ’ which is the foundation and to live a triumphant life in Christ and be a blessing to others!
